

Arbeitsanleitung

- Schneide die Netze der Kegelmäntel aus und klebe sie zusammen.
- Türme sie gemäß nebenstehender Abbildung übereinander.
- Überlege nun wie die Schnittebenen liegen
- Überprüfe durch Umlegen, dass die Kegelschnittkurven tatsächlich eben sind. Lege dazu auch die ausgeschnittenen Kegelschnittscheiben darunter.
- Nun kannst du die Kegelmäntel zum Verstauen flach drücken und in ein Kuvert stecken, das in deinem Heft eingeklebt ist.
